

MARKETING AI

LittleGiant

PUT YOUR **MARKETING ON** **AUTOPILOT**

LittleGiant Marketing AI helps home service businesses increase visibility, attract new leads, and grow their customer base—without hiring an agency

WHY CHOOSE MARKETING AI?

For home service businesses, traditional marketing can be time-consuming and costly. Paying for agencies or managing campaigns on your own is overwhelming and often ineffective without professional help. With LittleGiant Marketing AI, you get a powerful marketing assistant that works 24/7 to help you attract new customers while you focus on running your business

DID YOU KNOW?

- **79%** of home service businesses struggle to generate consistent leads through traditional marketing.
- **52%** of small businesses lose leads and customers to the competition due to a poor business listing and lackluster customer reviews.

Automated Campaign Creation Across Platforms

Quickly set up marketing campaigns across social media, email, direct mail, and more, tailored to your target audience. *Reach new customers where they are, without the hassle of managing separate platforms or learning complex tools*

Data-Driven Targeting and Optimization

Marketing AI analyzes customer behaviors and trends to automatically adjust your targeting and spend, maximizing every dollar. *No more guesswork—your campaigns become smarter and more effective over time, focusing on high-potential leads*

2

3

Content Creation Tailored to Your Audience

Marketing AI generates blog posts, social media content, email newsletters, and more, customized to your business and ideal customers. *Keep your brand visible and engaging without the need for constant content creation*

Business Listings Management and SEO Enhancement

Automatically optimize and maintain your business listings on Google, Yelp, and other platforms, while incorporating SEO best practices. *Appear higher in search results, get discovered by local customers, and ensure your information is accurate everywhere*

4

5

Customer Review Management and Engagement

Marketing AI solicits reviews after service completion, posts top reviews to social media, and helps you respond to feedback. *Build a trusted online presence with consistent, positive reviews that attract new customers*

Lead Nurturing and Follow-Up Automation

From initial inquiry to service booking, Marketing AI nurtures leads, follows up on inquiries, and stays in touch until conversion. *Turn interest into action and avoid losing leads who might otherwise go to competitors*

6

WHY MARKETING AI MAKES SENSE FOR YOUR BUSINESS?

As a home service provider, you need to focus on your craft—not on juggling marketing campaigns. With LittleGiant Marketing AI, you gain a full-service marketing engine that helps you attract new customers consistently, affordably, and with minimal effort.

- **Get in front of potential customers wherever they are: online, on social media, or in their inbox.**
- **Save thousands compared to hiring marketing agencies or freelancers.**
- **Grow your brand effortlessly with campaigns that scale as your business grows.**

"LittleGiant's Marketing AI helped us reach new clients faster than we ever could on our own. The campaigns have been a game-changer for our business!"
